

MICHAEL GRAY APPOINTED VICE PRESIDENT, PROGRAM MANAGEMENT OF MARINETTE MARINE CORPORATION

Marinette, WI – January 4, 2012 Marinette Marine Corporation announced today that Michael Gray has joined the company as its Vice President, Program Management.

Mr. Gray comes to MMC with over thirty years of extensive shipbuilding and ship repair managerial and leadership experience in both private industry and the U.S. Navy. During his time with the Navy, he worked on a variety of complex ship programs in the Program Executive Office (PEO) for Ships, including Deputy Program Manager in the Littoral Combat Ship Program office, Production Director for DD(X), and Engineering and Materials Services Branch Head in the DDG 51 Program Office.

“Mike’s deep and broad expertise and understanding of shipbuilding and program management, coupled with his demonstrated leadership, knowledge and experience, is yet another building block in expanding Marinette Marine’s capabilities and potential,” said Chuck Goddard, MMC’s President, CEO and General Manager. “We are very pleased to add Mike’s considerable talent to MMC’s senior leadership team.”

Mr. Gray is a graduate of the University of Southern Maine with a B.S. in Industrial Technology, and he earned a Master of Public Administration from Indiana University. He is also a certified Acquisition Professional, certified DAWIA Level III in Program Management and Manufacturing, Production and Quality Assurance fields.
