

TOM PERRINE APPOINTED VICE PRESIDENT, MANUFACTURING OF MARINETTE MARINE CORPORATION

Marinette, WI – January 23, 2012 Marinette Marine Corporation announced today that Tom Perrine has been promoted to the position of Vice President, Manufacturing.

Mr. Perrine has been a member of MMC's senior leadership team since May of last year, when he joined MMC as its Director of Engineering. He brought with him nearly thirty years of extensive shipbuilding and ship repair experience, holding positions of varied and increasing responsibility in several shipyards throughout the United States.

"Tom has introduced positive changes into the Company's engineering organization and processes," said Chuck Goddard, MMC's President, CEO and General Manager. "Applying his steadfast commitment to continuing improvement and full spectrum leadership in this key role brings an even sharper focus to our continued growth and success."

Mr. Perrine is a graduate of the University of Michigan with a B.S. in Naval Architecture and Marine Engineering, with a Certificate of Continuing Engineering Studies from John Hopkins University.
